GE Digital Enterprise Connect SDK License Agreement

THIS SOFTWARE LICENSE AGREEMENT describes the rights granted by GE Digital LLC, located at 2623 Camino Ramon, San Ramon, CA 94583 (herein referred to as "Licensor") to any entity (the "Licensee") receiving a copy of Enterprise Connect SDK (also referred to as ec-sdk). These materials may include scripts, compiled code, supporting components, and documentation and are collectively referred to as the "Licensed Programs". Both Licensor and Licensee are referred to hereinafter as a "Party" and collectively as the "Parties" to this License.

Section 1 – Conditional Grant. Unless you accept all the terms and conditions of this License, you receive no rights or licenses hereunder. In the absence of a signed license agreement between Licensor and Licensee specifying alternate terms, any use of the Licensed Programs by the Licensee shall be considered acceptance of these terms. The Licensed Programs are copyrighted and are licensed, not sold to you. If you are not willing to be bound by the terms of this License, do not install, copy or use the Licensed Programs. If you received this software from any source other than the Licensor, your access to the Licensed Programs is NOT permitted under this License, and you must delete the software and any copies from your systems.

Section 2 – Warranty Disclaimer. NO WARRANTIES. LICENSOR AND OUR AFFILIATES, RESELLERS, DISTRIBUTORS, AND VENDORS, MAKE NO REPRESENTATION OR WARRANTY, WHETHER EXPRESS, IMPLIED, OR STATUTORY, OR ANY OTHER GUARANTEES OR CONDITIONS WITH RESPECT TO USE OF THE LICENSED PROGRAMS. LICENSEE'S USE OF ALL SUCH PROGRAMS ARE AT LICENSEE'S AND THEIR CUSTOMERS' OWN RISK. LICENSOR PROVIDES THE LICENSED PROGRAMS ON AN "AS IS" BASIS "WITH ALL FAULTS" AND "AS AVAILABLE." LICENSOR DOES NOT GUARANTEE THE ACCURACY OR TIMELINESS OF INFORMATION AVAILABLE FROM, OR PROCESSED BY, THE LICENSED PROGRAMS. TO THE EXTENT PERMITTED UNDER LAW, LICENSOR EXCLUDES ANY IMPLIED WARRANTIES, INCLUDING FOR MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, WORKMANLIKE EFFORT, DATA ACCURACY, AND NON-INFRINGEMENT. NO GUARANTEE OF UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE OPERATION IS MADE.

Section 3 – Feedback. It is expressly understood, acknowledged and agreed that you shall provide Licensor reasonable suggestions, comments and feedback regarding the Software, including but not limited to usability, bug reports and test results, with respect to Software testing (collectively, "Feedback"). If you provide such Feedback to Licensor, you shall grant Licensor the following worldwide, non-exclusive, perpetual, transferable, irrevocable, royalty free, fully paid up rights: (i) to make, use, copy, modify, sell, distribute, sub-license, and create derivative works of, the Feedback as part of any product, technology, service, specification or other documentation developed or offered by Licensor or any of its affiliates (individually and collectively, "GE Products"); (ii) to publicly perform or display, import, broadcast, transmit, distribute, license, offer to sell, and sell, rent, lease or lend copies of the Feedback (and derivative works thereof) as part of any GE Product; (iii) solely with respect to Licensee's copyright

and trade secret rights, to sublicense to third parties the foregoing rights, including the right to sublicense to further third parties; and (iv) to sublicense to third parties any claims of any patents owned or licensable by Licensee that are necessarily infringed by a third party product, technology or service that uses, interfaces, interoperates or communicates with the Feedback or portion thereof incorporated into a GE Product, technology or service. Further, you represent and warrant that your Feedback is not subject to any license terms that would purport to restrict Licensor or require Licensor to comply with any additional obligations with respect to any GE Products that incorporate any Feedback.

Section 4 – Confidentiality. The Licensed Programs, including documentation, are proprietary. They shall be handled as the confidential information of Licensor, and shall be used by any receiving Party solely for any licensed uses of the Licensed Programs. Any receiving Party shall exercise the same degree of care with regard to the protection of the Licensed Programs as it uses in protecting and preserving its own confidential and proprietary information and shall restrict distribution of the Licensed Programs to only those employees, contractors, consultants, affiliates, and subsidiaries who are subject to an obligation to keep such information confidential. THIS RELEASE OF THE LICENSED PROGRAMS MAY NOT BE REDISTRIBUTED OR PUBLISHED IN WHOLE OR IN PART TO ANY THIRD PARTY OTHER THAN THE LICENSEE UNLESS OTHERWISE EXPRESSLY PROVIDED FOR IN THIS LICENSE. You therefore agree not to transfer, copy, disclose, provide or otherwise make available such proprietary information in any form to any third party without the prior written consent of Licensor.

Section 5 – Limitation of Liability. LICENSOR SHALL HAVE NO LIABILITY, WHETHER UNDER ANY THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, TO LICENSEE OR TO ANY THIRD PARTY, FOR ANY INCIDENTAL, PUNITIVE, INDIRECT, SPECIAL CONSEQUENTIAL DAMAGES, OR FOR LOST REVENUES, LOST DATA, OR COST OF SUBSTITUTE GOODS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LIABILITY FOR ANY SOFTWARE LICENSED FROM THIRD PARTIES FOR USE WITH THE SERVICES IS EXPLICILTLY DISCLAIMED AND LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW.

Notwithstanding anything to the contrary, the aggregate liability of Licensor and its suppliers under this License shall not exceed the total amounts paid by Licensee to Licensor hereunder during the one-year period immediately preceding the event which gave rise to the claims.

The foregoing limitations of liability apply notwithstanding the failure of essential purpose of any limited remedy.

Some states do not permit certain limitations of liability, so the above may not apply to you.

Section 6 – License.

a) License Grant. Subject to the terms and conditions of this License, Licensor hereby grants Licensee a worldwide, non-transferable, royalty-free, non-exclusive license to:

i) install the Licensed Programs on Licensee's premises, and permit Licensee's users to use the Licensed Programs so installed, solely for Licensee's own development, testing, demonstration, staging, and production of Licensee's own software that makes use of the Licensed Programs in a way that adds substantial functionality not present in the Licensed Programs (the result, a "Licensee Application");

ii) permit third-party hosts ("Hosts") to install the Licensee Application on such Hosts' respective premises on Licensee's behalf, and permit Licensee's users to access and use the Licensed Programs so installed, solely for Licensee's own development, testing, demonstration, staging and production purposes

iii) install the Licensee Application on Licensee's own premises and permit its own users to use the Licensee Application so installed on the same terms as sub-sections (i) and (ii) above.

b) For the purposes of this License, the right to "use" the Licensed Programs shall include the right to utilize, run, access, store, copy, test or display the Licensed Programs. No right or license is granted or agreed to be granted to disassemble or decompile any Licensed Programs furnished in object code form, and Licensee agrees not to engage in any such conduct unless permitted by law. No right or license is granted to distribute, publish, or disclose the Licensed Programs or any portion thereof under this License. Reverse engineering of Licensed Programs provided in object code form is prohibited, unless such a right is explicitly granted by any explicit license subject to sub-section (d) below or as a matter of law, and then only to the extent explicitly permitted. Licensor shall have no obligation to support any such reverse engineering, any product or derivative of such reverse engineering, or any use of the Licensed Programs with any modified versions of any of their components under this License.

c) Licensee shall ensure that all Licensee Applications that incorporate the Licensed Programs do so in such a way as to prevent third parties (other than Hosts) from viewing the code of the Licensed Programs or gaining access to any programmatic interface or other hidden aspect of the Licensed Programs.

d) Use of some open source and third party software applications or components included in or accessed through the Licensed Programs may be subject to other terms and conditions found in a separate license agreement, terms of use or "Notice" file located at the download page. The Licensed Programs may be accompanied by additional software components solely to enable the Licensed Programs to operate as designed. Licensee is not permitted to use such additional software independently of the Licensed Programs unless Licensee secures a separate license for use from the named vendor. Do not use any third party code unless you agree with the applicable license terms for that code.

e) Title. Title to and ownership of the Licensed Programs shall at all times remain with Licensor. Except for the express licenses granted herein, no rights or licenses shall be deemed granted by implication, estoppel, or otherwise.

Section 7 – Termination. Either Party may terminate this License at any time for any reason or no reason by providing the other party written notice thereof. Upon any expiration or termination of this License, the rights and licenses granted to you under this License shall immediately terminate, and you shall immediately cease using and delete the Licensed Programs. Licensee Applications based upon the Licensed Programs (see Section 6(a) above) are not subject to this limitation. In the event of any expiration or termination of this Licensee, its Confidentiality provision, disclaimers of Licensor's representations and warranties, Licensor's rights with respect to Feedback, and limitations of Licensor's liability shall survive.

Section 8 – Applicable Law. The License shall be governed by and interpreted in accordance with the substantive law of the State of California, U.S.A., excluding its conflicts of law provisions, and by the courts of that state.
